Requirements for Direct Loans

There are two requirements students must complete before their student loan can disburse to the school:

- Master Promissory Note (MPN)
- Loan Entrance Counseling

The **MPN** can be completed online at <https://studentloans.gov>. Just log in to the website by using your Federal Student Aid ID (FSA ID).

Loan Entrance Counseling is also completed online via Desire2Learn (D2L) however, you must be enrolled into the D2L Entrance Counseling course before you can complete this requirement.

After you have “accepted” your loan, you will be enrolled into the course and sent an email to your student email account with information on how to complete Entrance Counseling. If you want to complete Entrance Counseling prior to accepting your loans, please contact the Financial Aid Office and ask to be enrolled into the Entrance Counseling course on D2L.
