Requirements For Direct Loans

There are two requirements students must complete before their student loan can disburse to the school:

- Master Promissory Note (MPN)
- Loan Entrance Counseling

---You complete your Master Promissory Note (MPN) online at www.studentloans.gov. You log into the website by using your Federal Student Aid ID (FSA ID).

---You complete Loan Entrance Counseling online via Desire2Learn (D2L). You must be enrolled into the D2L Entrance Counseling course. After you have “accepted” your loan, you will be enrolled into the course and sent an email with information on how to complete Entrance Counseling. If you want to complete Entrance Counseling prior to accepting your loans, please contact the Financial Aid Office and ask to be enrolled into the Entrance Counseling course on D2L.

Pueblo Campus: We do offer In-Person Entrance Counseling Sessions at the Pueblo Campus. Please contact the Financial Aid Office for dates and times for Entrance Counseling Sessions.
