The GPA Dining Room is a working Laboratory for Students and Instructors in the Hospitality and Culinary Arts Program at Pueblo Community College.

Your Student Servers are enrolled in Culinary Arts Class 190, Dining Room Management. For many of them, this is their first opportunity to be taught and provide guest service and extend hospitality to guests.

Your meal is being prepared by Students enrolled in the Culinary Arts Class 233; Advanced Line Prep and Cookery.

We thank you for your support and patronage of the GPA Dining Room. Your participation in this program gives our students as close to real world experience in an environment where they are allowed to make mistakes and learn from those mistakes to improve.
