Campuses to celebrate

STUDENTS

Fall semester nears
With the Aug. 23 start of the fall semester closing in fast, there is a late crunch of students enrolling at PCC and registering for classes. To help accommodate them, the Pueblo and Fremont campuses will have enrollment offices open until 6 pm Monday thru Thursday this week, but offices will be closed this Saturday, when new student orientations will take place.

Get a bachelor's degree at PCC
PCC and Adams State College are partnering to offer a bachelor's degree in Business Administration, with an emphasis in Health Care Administration, for those who would like to work in management in the health care field. All classes are held in the evening on the Pueblo campus, and associate degree credits transfer to Adams State. To learn all the specifics, you can visit with an Adams State rep at an advising session on Friday, Aug. 20, from 4 to 7 pm in AB-124. For more info, call Mary McMahon at 719.549.3258.

TUITION IS DUE

Don't get dropped
Fall semester tuition is due by Tuesday, Aug. 17, which means that a student will have all classes dropped for non-payment on Wednesday, Aug. 18, unless he/she has done one of the following:

- Paid his or her account in full
- Set up a promissory note and made the first payment
- Signed a third-party form for full scholarship
- Has financial Aid holding the account

For more information, visit the PCC Cashier's Office in the College Center or call 719.549.3212.
