

Commercial Driver Licensing Program

The Trinidad State Junior College Commercial Driver Licensing (CDL) Program is designed to develop you into a safe and knowledgeable entry level driver ready for employment.

Prerequisites:

1. Pass a DOT Physical examination
2. Pass a background check
3. Possess a valid state Driver's License
4. Wear Steel toed boots or composition boots rated at 73 to all classes

Random Drug and Alcohol Testing:

Students and employees are subject to Random Drug and Alcohol Testing while in the CDL Program. Failure to pass the drug test will result in immediate dismissal from the program and forfeiture of tuition.

Attendance:

This program is designed to duplicate an actual employment situation. The program schedule will include full days and half days with set break times and lunch/dinner hour.

A student who misses 3 days of training is subject to dismissal from the program and "forfeits all fees".

Types of licenses available:

1. Class A – tractor trailer
2. Class B – single axle vehicle; dump truck, trash truck, box truck
3. Class C – chauffeur's license
4. Bus Endorsements
5. Tank Endorsements
6. Hazmat Endorsements

Training Includes the following based on the type of license desired:

All students receive – Preparation for Permit exam, DOT Rules and Regulations outlined by Professional Truck Driving Institute, Hours of Service, National Safety Counsel certified Defensive Driving, DOT Daily Log Book, Pre-trip Inspection, driving practice on the appropriate equipment for your type of license, use of the vehicle you practiced on for your Driving Examination.

Class A; Forklift Operator certification good for 3 years, truck and trailer backing and driving practice, use of the truck and trailer you practiced on for your Driving Examination.

Bus Endorsement; Bus pre-trip inspection, bus driving practice, use of the Bus you practiced on for your Driving Examination.

Fee:

Each program is "customized" based on the experience level of the student and the type of license desired.
