

Reading The Schedule

Understanding the Course Number

The three-letter prefix designates the subject area. The first three numbers indicate the class level (100 series — freshman courses; 200 series — sophomore courses). The second three numbers represent the course section. Several sections of the same course may be taught during a semester.

Section Numbers

001-025.....	Regular Classes
OHC - 5HC.....	Hybrid Courses With Lab
OHM - 5HM.....	Hybrid Media Courses
OHW.....	Hybrid Courses
OW1 - OW9.....	PCC Online
171.....	Open Entry/Open Exit
181.....	Computer Directed
