## Activity Antics

Have you wondering about the chain baskets scattered about the perimeter of the campus? The **Disc Golf Course** is about 2/3 complete. We owe a huge Student for funding

complete. We thank you to the Advisory Club this gift to the students. The **Grand**

**Opening** will be **Friday, April 24.**

By then the tee off signs, par for each basket, and regulations will be posted and course groomed. **Get your discs and Frisbees ready!**

### Friday Afternoon at the Movies

Come join your fellow students **Friday, March 13** for the presentation of **Waking Life**; the movie begins at 3pm and is hosted by SAC. Students 18 years and older are welcome to attend. A discussion of the movie will follow. Popcorn, soda and candy will be available for a nominal fee.

A Clockwork Orange was a hit! Thanks to those who participated.

### Congratulations to the Art Club!

Higher Limits Outfitters have commissioned the new **Art Club** to paint a mural of a mountain scene. If you have an interest in Art, plan to attend the next meeting **Monday, March 9, at 1:15 pm** in the Art Room, Room 131. You don't have to be an Art major to participate.

### Oh Romeo, where for art thou??

Calling all actors - trained or otherwise! The **Drama Club** meets every **Tuesday** at **4:30 pm** in the conference room in the Enrollment Services Office. The club is planning some exciting works to be performed during the Spring semester. Now is your chance to make it big! Plan to attend.

## DON'T FORGET...

**Scholarship deadlines are fast approaching!** Are you planning to apply for scholarships, grants, or student loans? Plan to attend the **Scholarship and Financial Aid Workshop, Thursday, March 12** in the Learning Resource Center. Learn which scholarships are best and how to enhance your application skills.

## DON'T FORGET...

**Be sure to pick up a Financial Aid Flyer** with deadline information at both the South and North Entrances of the building. They contain lots of important information about Financial Aid application.

### Daylight Savings

begins @ 2:00am  
Sunday, March 8.

Set your clocks ahead one hour when you go to bed Saturday night.

## IT'S ACADEMIC

Are you close to completing your degree? Meet with your Academic Advisor to learn if you will be ready for graduation for the Spring or Summer semester.

**Deadline for graduation applications is March 16.**

Commencement is **May 1!** You must have submitted a graduation application packet to participate.

Need help preparing for mid-term exams? Don't forget the faculty staffed Math and Writing Labs are available to assist you.
