Opportunity knocks
You still have time to get a quick class or two crossed off your list this summer since the second 4-week session will begin on Tuesday, June 29. To access the schedule of classes, go to the main PCC website page at www.pueblocc.edu and click on the lower right corner. Printed versions are also available on all PCC campuses.

New fall students
Those who will be new students at PCC in the fall semester should stop at the Go!Zone Enrollment Center on their respective campus (or the Enrollment Services Center on the Fremont Campus) to start the enrollment process. There, they will receive information on the steps needed to enroll, take the assessment test, get advised, and register for classes. All new students also are required to attend an orientation session. PCC's fall semester will begin on Aug. 23.
