## General Information

1. Although not required prerequisites, completion of MAT 103, BIO 216, HPR 108 and Humanities/Social Science elective are recommended prior to beginning the Nursing program, and are **required for AAS degree**. **Note: MAT 103, HPR 108, and BIO 216 must be completed prior to beginning the program's 2nd year (LPN to RN bridge)**
2. Students who complete the departmental application process will have their qualifications reviewed by the program's admission committee. The committee will consider the following criteria in the selection process: prerequisite GPA, completion of all general education courses, and health related work experience. Applicants not accepted for a given year who wish to be considered for a subsequent term must reapply.
3. The first year of the Nursing Program at PCC is only offered as a full-time program; students will be in class, labs, or clinical rotations Monday-Friday. Students who successfully complete the 1<sup>st</sup> year may petition to complete the program as part-time students on evenings and weekends (Pueblo/Fremont campus only, as offered).

\*Humanities/Social Science elective must be from the Guaranteed Transfer Course list at <http://www.state.co.us/cche/gened/gtpathways/index.pdf>
