Guests:

| Agenda Item | Discussion Points | Decision/Action Item |
|-----------------------------------|--|----------------------|
| Call to Order | <ul style="list-style-type: none">Welcome from Shirley Marino | |
| Approval of Minutes | <ul style="list-style-type: none">No minutes to approve | |
| Shawna Tracy | <ul style="list-style-type: none">Shawna called the meeting to order at 12:08. Introductions were made; she introduced herself as the Pharmacy and Phlebotomy Coordinator and is being groomed by Shirley Marino. | |
| Crystal reports | <ul style="list-style-type: none">New instructor – Crystal reported she get many supplies donated. ST. Mary Corwin hospital is where she gets her supplies, but will work on getting supplies from Parkview Medical Center also.Fire and Safety video were a challenge but it should work better next semester. Clinicals are done at SMC. Now we are looking at PMC orientations that will begin for all HP. Mary stated there is money for supplies; we do not have to get all our supplies by donation.Get with Shawna and she will get an instructor copy of the Phlebotomy book before classes start. | |
| Ashley Kushner Student reports | <ul style="list-style-type: none">Dr Steven Jacobson wants to be a volunteer. Student bring in Volunteer that is the hardest part is getting them her to IV stick. Generally, we get repeat volunteers. When you go through clinical rotation, it can go fast. High school students really like to learn. Three High school students have been approved already for the fall. | |

|---|---|----------------------|
| Reports/Feedback from Committee members | <ul style="list-style-type: none"> • The job market is a bit saturated for phlebotomy students right now. 71% of our students get jobs. • Three-year experience is what job agencies are looking for, they may turn you down if you are not certified. • Age is a factor at some hospitals, PMC is one of the. You must be 21 to stick people as a phlebotomist. | |
| Dean Update | <ul style="list-style-type: none"> • She Mary introduced herself as the new Dean of Health and Public Safety. • Some of our simulation has moved over to St. Mary Corwin to form a new floor for students to get the feel of a hospital setting through a partnership with PCC and St. Mary Corwin. It is located in the old part of the hospital. There are 4 rooms with 2-way mirrors, video cameras and a control room. This will be a 21st century way of learning. It offers good feedback to the student watching their performance. This is a Karl Perkins grant that will last for 3 years, as a source but will continue on. • Graduation is May 4, 2012; everyone is invited to celebrate our students' success. 1000 student graduated at PCC and 1300 overall at all campuses. • Colorado Mission of Mercy Dental Care is holding their event in Pueblo this year at the Event Center. Free to about 1500 people. Pharmacies in the local area are donating RX supplies. • Student center is being renovated and should be open and ready to go by fall classes. | |
| Good of the Order | <ul style="list-style-type: none"> • There is \$1200 in Scholarships. Banner wants our grades placed in at Mid-term. Background and drug testing are going well. There are 15 applicants not including High School. <p>Next meeting will be determined</p> | |
