Welcome Back meeting

The “Welcome Back” kickoff meeting for faculty and staff will take place Tuesday, Jan. 11.

GREAT COURSES

Massage Therapy

Students taking prerequisites and waiting to be admitted to a health program or are interested in the health care field should consider taking the “Intro to Massage Therapy” class (HHP-224) offered in the spring semester. The “Intro” class will meet Thursday evenings from 5:15 to 7:15 pm beginning the week of Jan. 17. Massage therapy is a licensed profession with strong job growth forecast and with good salary potential. For more info, contact Jeanette at 549-3075 or e-mail her at Jeanette.McWilliams@pueblocc.edu.

EMT refreshers

PCC is offering refresher spring semester courses for all levels of Emergency Medical Services – basic, intermediate and paramedic. These have very minimal classroom attendance time required. The EMT Basic refresher course is worth 2 credits, while the EMT Intermediate and Paramedic courses are each 3 credits. All meet state and national registry requirements, and students can complete them by the end of March. Contact Ann Flores at 549-3489 or Ann.Flores@pueblocc.edu.

Customer service certificate

PCC is offering a **Customer Service Academy** certificate program in the spring semester and it will consist of 9 classes that will provide valuable employee skills. Each class is 5 weeks long and worth 1 college credit, and they are divided into 3 consecutive-running classes. Students pick the classes they want to attend, and those completing all 9 earn a college program certificate. There are no prerequisites required. For info, contact Jenny Sherman at 549-3076 or reach her via e-mail at Jennifer.Sherman@pueblocc.edu.
