KEY STUFF

Fall semester zooming closer
Registration is underway for the fall semester that will begin on Aug. 23. New students should stop at the Go!Zone Enrollment Center on their respective campus (or the Enrollment Services Center on the Fremont Campus) to get started. There, receive info on all the steps needed to enroll and register. When registering, new students must sign up to attend an orientation session.

New programs to start
Beginning with the fall semester, classes are offered in these 2 new health programs:

- **Polysomnographic Technologist**
- **Health Information Technology**

These are 2 fields with good jobs and excellent salaries. For info, contact the Health Professions office at 549-3280.

Refund Cards coming
Effective fall 2010, PCC will no longer generate checks to refund students for reimbursement or overpayment. All refunds will be generated through a **CCCS Refund Card**, which is a **MasterCard Debit card**. Please ensure that your mailing address is current and your PCC student e-mail address is activated. CCCS Refund cards will be mailed to the address that you have on file with PCC. Your PCC student e-mail will also be used to notify you of updates and other important info about your refund.

PCC will "Go Portal" on Aug. 9
On Monday, Aug. 9, PCC staff and students will see a new page when they log onto PCC computers -- the **myPCC portal**. This is a 1-stop resource that will enable access to campus events, student info, useful faculty & staff items, news, recognitions, etc.
