The Ultimate Panther Fitness Challenge will kick off next Monday, Jan. 31, and all the details will be unveiled that day at an **information meeting** that is scheduled at 5 pm in Room 161A of the Student Center. This is a 12-week program that will include a number of events, initiatives and incentives that can make good health a reality in your life. Cardio and toning activities, regular weigh-ins, goal-setting, daily challenges and much more. Cash prizes, too! You can sign up for this on Jan. 31 and then get started.

## WRITE WELL

Provided by PCC's English Department

Is your writing flabby? Trim the fat! If you will write "continue", "return", or "mix" instead of "still continue", "return back", or "mix together", your writing will look better and have more energy. Watch out for other flabby phrases such as "free gift" (if it's a gift, it's free), "exact same" (if it's not exact, it's not the same), and "hollow tube" (if it's a tube, it is hollow).
