KNOW-WORTHY

Get your vehicle fixed, painted

If your vehicle needs any service or if you need exterior work done on it, check with the folks in our Auto Service and Auto Collision areas that have shops in the back of the MT Building. Students are always looking for work, and your fee will be much less than at any shop in town.

Lost it? Look for it here

Be aware that the PCC Campus has a Lost & Found area in the Office of Public Safety, which is located in Room 160 of the Student Center.

Get fit

You can drop in at a fitness class on Tuesdays and/or Wednesdays on the Pueblo campus. Students, faculty and staff are invited, and it's free to students and Rec Center members and \$5 for others. This month, "Cardio Fit" classes are held on Tuesdays and "Full Body Training" on Wednesdays. Both start at 5 pm in Room 161A of the Student Center.
