PERKS

Free dental services day
Our Dental Hygiene program will participate in the annual Give Kids a Smile day on Friday, Feb. 5. Students and PCC staff members with children between the ages of 4 and 14 and not covered by dental insurance can arrange for them to receive a free exam, cleaning and fluoride application. Reserve a slot at 549-3286.

Learning Center going green
Paper coffee cups are being phased out of the Learning Center beginning Feb. 1. It will still have free coffee available for LC users, but students will need to buy a spiffy stainless steel travel cups, bearing the ASG/PCC logo, that Student Government will be selling for \$5. They will be available Feb. 1 in the Learning Center and in Pueblo Joe's. Students can use these cups to get free coffee using the Center, plus get discounted coffee with them at the bookstore and in Pueblo Joe's.
