1940s

In 1943, Pueblo Junior College leased space from the Rood Candy Company for Vocational programs. The basketball squad was undefeated 15-0, bringing home the seventh consecutive Division Championship. In 1947, the Veteran's Club and Radio Association were started. Four barracks from the POW camp near Trinidad were transported to PJC in 1948 with one of the barracks becoming the Teepee Cafeteria. That same year, freshman Bill Mattoon was elected National President of Phi Theta Kappa.
