Shaded Classes

All courses that have a shaded background are evening courses starting after 5pm.

Understanding the Course Number

Example: ACC101-001

The three-letter prefix (ACC) designates the subject area. The first three numbers (101) indicate the class level (100 series — freshman courses; 200 series — sophomore courses). The second three numbers (001) represent the course section. Several sections of the same course may be taught during a semester.

Summer & Fall 2010 Class Schedules

For the most up-to-date information on classes, log into My Community Ed at www.EnrollSouthwest.org (look for the following icon:)

or check out the online class schedule also on the SCCC website. See page 6 for more information.

Business Hours

The West Campus has a full service enrollment center where you can get all the help you need in one place. Advisors are available to assist students in registering for classes. Hours are 8 am to 5 pm, Monday through Friday.

Snow/Emergency Closures

Should weather or other factors force the college to close, information will be available on local radio and television stations as well as at www.EnrollSouthwest.org and at www.flashnews.net. Decisions regarding evening classes will be made by 3 pm. All faculty, staff and students are urged to sign up now with **My PCC Alert**, which will enable you to receive text messages, voice messages and e-mails regarding campus closures due to weather or emergencies. Go to www.EnrollSouthwest.org and click on the link to sign up.

APPLY TO BE A STUDENT AT SCCC!

Apply online at www.EnrollSouthwest.org. Find and click on the "APPLY NOW" button. If you need assistance come to the West Campus Go!Zone Enrollment Center, or call 564.6200.

REGISTER FOR THE COLLEGE OPPORTUNITY FUND (COF)

In-state resident undergraduates: Colorado has money put aside for your tuition. You must apply for this funding or you will be required to pay more of your tuition bill. Apply at www.collegeincolorado.org and click on the COF link.

TAKE A COURSE PLACEMENT EXAM

Complete the ACCUPLACER test or submit your ACT/SAT scores. Please bring a picture ID, S# and \$10.00! Please call 564.6209 for testing schedules. The assessment takes approximately 2-3 hours to complete. If you have earned previous college credit in English or Math, or have current ACT scores, please see an Academic Advisor prior to taking the basic skills assessment. (Students who require special disability accommodations for testing must notify the Learning Center at 564.6209 three (3) working days prior to taking the test).

APPLY FOR FINANCIAL AID

All information, guidelines, and policies related to financial aid are available from Go!Zone Enrollment Center. Apply now, don't delay. The longer you wait to apply for financial aid, the longer it will take to get your money. Apply for FAFSA at www.fafsa.ed.gov.

SEE AN ACADEMIC ADVISOR

You can meet with an academic advisor by going to Go!Zone Enrollment Center, for walk-in service or call 564.6200 to schedule an appointment. Advisors will help with academic goals, explain the results of placement tests, discuss the requirements of academic programs, and assist with the development of an educational plan. During the advising session, you will establish your initial schedule and enroll in classes for your first semester.

REGISTER FOR CLASSES

Register for classes online at www.EnrollSouthwest.org. Find and click on the "My Community Education" icon. See the schedule of classes for complete instructions on how to register online! Refer to the current SCCC Catalog for more information.

ATTEND NEW STUDENT ORIENTATION

All new students are encouraged to attend a New Student Orientation session to help you succeed at SCCC. To get a schedule of sessions being offered and to register, call 564.6200.

ACTIVATE YOUR SCCC EMAIL ACCOUNT

You have a NEW college-issued Student E-Mail Account. Go to www.EnrollSouthwest.org and click on the **STUDENT EMAIL** link on the **Students** page to activate your new account. Need help? Call 564.6200. Using your college-issued email ensures you will receive important information from the college and your instructors.

ARRANGE TO PAY TUITION AND FEES

Go to the Go!Zone Enrollment Center, or call 564.6200.

PURCHASE YOUR TEXTBOOKS

The West Campus Bookstore, in the Go!Zone, carries required textbooks. For more information, call 564.6266. Be sure to bring your class schedule.

Advising / Registration

New Student Orientation

All newly-enrolled students, including transfer students, are required to attend a New Student Orientation session. Offered before the beginning of each semester, these sessions provide students with an overview of SCCC policies, available college resources and strategies for academic success. Please call 564.6200 for scheduled sessions.

Advising

Academic Advising for All Students

For students to truly succeed at Southwest Colorado Community College, all new or readmitted students enrolling in more than six credit hours, who have not completed 15 credit hours, must meet with an academic advisor prior to registering for classes. At an academic advising session, students can expect the academic advisor to:

- Review program and test scores
- Help students choose and register for first semester classes
- Discuss and understand academic goals and how they relate to career interests
- Refer student to career center for career exploration, clarification, development

Academic Advisors are available in the Enrollment Center. The office is also responsible for early grade check follow-up, attendance, working with financial aid suspension/probation students, change of majors, advisor re-assignments, basic skills advising, and advising health professions students until they transition to health programs.

Students can come to the Go!Zone Enrollment Center for walk-in advising or can call 564.6200 or 564.6220 to set up an appointment with an academic advisor.

Advising is an ongoing process and students should consult regularly with their advisor prior to registering for courses.

Undeclared Students

An undeclared student is one who has not declared a major or program of study and is not working toward a certificate or a degree at Pueblo Community College. Undeclared students are generally not eligible to receive financial aid. Students who are not sure what program of study best suits their goals and ambitions can meet with a career counselor and/or academic advisor

Registering For Classes

All new, transfer and re-admit students must have applied for and be accepted to PCC before registering for classes. There are two ways to register for classes — **online** and **in person (walk-in)**. Academic advising requirements must be met to register.

Online Registration

New students taking fewer than six credits and continuing students, after having met with their academic advisor, may

register online at www.EnrollSouthwest.org anytime from 2 am Monday through 9 pm Saturday. This option is available if there are no holds on a student's record and all financial obligations have been met.

Students using this method should also check to make sure that prerequisites have been completed, time conflicts do not exist and the classes do not require co-requisites. If assistance or additional information is needed, please call 564.6220 during regular office hours — 9 am to 5 pm, Monday - Friday.

- **Have your student ID and PIN number available**
- **Select your courses and write down the course reference numbers prior to calling or logging on**
- **Have alternate courses identified**

Step-By-Step Online Instructions

- 1) Go to puebloc.edu, select the logo – *My Community Education*.
- 2) ENTER YOUR USER ID. Use your Banner ID (Sxxxxxxx). Your User ID is case sensitive. The "S" should be capitalized.
- 3) ENTER YOUR PIN number and Click LOGIN. The FIRST time you log in, your PIN will be your birth date in mmddyy format. If this is the FIRST time you are logging in, you will be required to CHANGE your PIN from your birth date to ensure security. Your PIN must be six characters in length. Keep your PIN safe and confidential.
- 4) You will also be asked to choose a security question for future use. This question will be used to change your PIN or to access your account if you forget your PIN.
- 5) Forgot your PIN? You can choose to have your PIN displayed on screen or emailed to you. Click on the "FORGOT PIN" link. Enter your user ID, your role (student or faculty/staff) and choose how you want your PIN delivered -- either displayed on screen or emailed to you.
- 6) At main menu, click the STUDENT MENU in the middle of the page. Under QUICK LINKS, choose ADD OR DROP CLASSES.
- 7) Choose the term you'd like to register for and click SUBMIT.
- 8) If you already know what classes you'd like to register for, enter the five-digit CRN (Course Reference Number) of the courses in the boxes in the ADD CLASSES WORKSHEET area. Click SUBMIT CHANGES to add the courses to your schedule. Click on VIEW DETAILED STUDENT SCHEDULE to view and print your schedule.
- 9) If you're not sure what classes you'd like to take, click the CLASS SEARCH button at the bottom of the screen.
- 10) Select SUBJECTS and click on a course subject you are interested in. (To select multiple Course Subjects, hold down your Control key and click on as many as desired.)
- 11) Click CLASS SEARCH and a listing of all courses will appear. NOTE: A number of other search options are available for you such as times, days, instructional method, etc., but you must always include SUBJECT in your search.)
- 12) Click in the open check box in front of the course CRN you desire, scroll to the bottom of the page, click the REGISTER button. The course will be added to your schedule. (OPTION: Stu-

Registration / Tuition

dents may choose to use the ADD TO WORKSHEET to develop a full schedule before finalizing and submitting to registration.)

- 13) Your CURRENT SCHEDULE will appear. You may continue to add or drop classes in the ADD CLASSES WORKSHEET area at the bottom of the screen if you know the CRN.
- 14) Select VIEW DETAILED STUDENT SCHEDULE to view and print your schedule using your browser print function; select BILLING STATEMENT to view/pay your bill (under QUICK LINKS on the STUDENT TAB at the top of the page); or select the FINANCIAL AID tab (top of page) to access your financial aid information.
- 15) See the payment instructions in this Schedule of Classes (page 10). If you plan to pay with cash or check, exit the system. Make sure your check or cash is received in the Cashier's Office by the posted deadline dates.
- 16) If you wish to pay with Visa, MasterCard, Discover or American Express, select the CLICK HERE FOR CREDIT CARD PAYMENTS TO PUEBLO COMMUNITY COLLEGE at the top of the BILLING STATEMENT. Select the term for which you'd like to make a payment and enter your credit card information.

If, at any time, you have trouble with the system, exit and call 564.6200 during regular business hours.

Walk-In Registration

Please call 564.6200 to make an appointment prior to seeing your advisor. Students may also register in the Go!Zone Enrollment Center. All students will be required to show a picture ID. Once entered, a copy of the schedule and statement of charges will be provided.

Residency

Every applicant, when admitted/readmitted to SCCC, is classified as either a resident or nonresident of Colorado for tuition purposes. SCCC follows the provisions of Statutory Authority C.R.S. 23-1-105(1) and Title 23, Article 7 of the Colorado Revised Statutes as amended (Tuition Classification Statute) to verify Colorado residency.

An applicant has the right to challenge his/her tuition classification by filing a Petition for In-State Tuition Classification, available in Admissions, CC 224 or at the SCCC-East, SCCC-West and Fremont Campuses. The completed petition, along with required documentation, must be received by the Assistant Director of Admissions and Records, Pueblo Campus, CC 224, 719.549.3039 by the established deadline for each term. Deadlines are:

Summer: May 14, 2010, Fall: Aug. 6, 2010.

Residency petitions received late, incomplete, or without a notarized signature will be denied review.

Tuition & Fees

Students, by registering, automatically incur a financial obligation to the college in the form of tuition, fees and other charges. This money helps to cover part of the educational costs associated with going to SCCC — state funding covers a larger portion — and supports a variety of student services.

Mandatory fees per credit hour are as follows:

College Center	\$ 6.39	(Max/semester: \$76.68)*
Parking	\$ 1.29	(Max/semester: \$15.48)*
Student Senate	\$ 1.50	(Max/semester: \$18.00)*
Student Activities	\$ 1.36	(Max/semester: \$16.32)*

Mandatory Health Clinic Fee: \$21.35 (Min: 6 credit hours)*

There is also a Registration fee of \$11.45*

* Student Fees are subject to change. The fees listed are current at the time of printing of this publication and may change.

The Colorado Community College System sets tuition rates, mandatory fees and lab/special course costs. The exact charges appear on the class schedule/bill.

If a class is dropped before the census date, a refund of tuition and fees will be given. However, it is the student's responsibility to initiate the refund. Two options exist: log into My Community EDUCation from www.pueblocc.edu; or submit a class drop on the Schedule Adjustment Form to the Go!Zone Enrollment Center (Room 100, 564.6200).

Please Note: Not attending class does not constitute a drop and students will not automatically receive a refund. Students must officially drop their courses per the instructions above. Special length courses will have their own census dates which appear on the class schedule/bill.

Lab & Special Course Costs

Special course fees — generally \$6.05 per credit hour — are charged for all of the health professions programs. The fees are assessed, as well, for all architectural technology, art, American Sign Language, astronomy, automotive, biology, chemistry, computer, criminal justice, dance, electronics technology, engineering technology, geology, jewelry design & repair, machining technology, multi-media & graphic design, music, photography, physics, radio/tv, theater and welding courses, in addition to all preparatory classes. All English and Math classes have an additional course fee of \$6.05 per credit hour added.

Cisco Network classes, offered as part of Computer Information Systems, carry a special credit hour fee of \$16.60.

The fee for MAN 275 001-03 is \$138.71. Several Criminal Justice classes also have material charges assessed for ammunition, vehicles, etc. By course, the costs are: CRJ 106 — \$460; CRJ 107 — \$521 and CRJ 108 — \$669. Selected Automotive Collision Technology and Automotive Service Technology classes have supply charges from \$5 to \$290. Fire Science FST 100 has a fee of \$854.00, FST 160 — \$55.00 and FSW 100 — \$136.50.

Financial Aid

There are many options available to help students pay for college expenses. In addition to administering a comprehensive program of grants, loans and assistance in the form of on-campus employment, the Financial Aid Office can also provide resources for scholarship information.

To start the financial aid process, students need to complete and submit the Free Application for Federal Student Aid (FAFSA).

Apply early to avoid delays in getting payment.

Processing time can take up to 12 weeks.

The FAFSA form is available from high school counselors and the financial aid advisor at the campus near you. The FAFSA is accessible online at www.fafsa.ed.gov where it can be filed electronically.

The Department of Education will process a Student Aid Report (SAR) from the FAFSA. This usually takes about three weeks. Upon receiving a SAR, the applicant should review it for accuracy. If there are corrections or questions about the data, contact the financial aid advisor at the campus near you.

To complete a student's file, information in addition to the SAR may be necessary. Students will be notified by mail of their official financial aid status and the conditions under which the aid is provided.

Students are responsible for contacting the Financial Aid Advisor to check on how refunds could affect financial aid. In addition, if a student who is receiving Title IV Financial Aid funds, withdraws from school, a portion of the grant or loan funds must be returned. Under these circumstances, the student is also responsible for returning unearned assistance, according to the Higher Education Amendments of 1998. The Financial Aid Advisor can provide additional information.

All refunds from Financial Aid, overpayments or for returned books will be mailed to the local (LO) address listed on the student's account in the Banner system. Refunds for payments made by personal check must be held for a minimum of 2 weeks before a refund can be issued.

Refund/Census Policy

Students who officially drop a class within the first 15 percent of the class term (Refund Period) will receive a full refund. Refunds will be sent directly to students by mail after the refund date.

If a student, who is receiving Title IV Financial Aid funds, withdraws from school, a portion of the grant or loan funds must be returned. Under these circumstances, the student is also responsible for returning unearned assistance, according to the Higher Education Amendments of 1998. The Financial aid Office (Pueblo Campus CC 216, 719-549.3020) can provide additional information.

Please Note: Not attending class does not constitute a drop and students will **not** automatically receive a refund. Students **must** officially drop their courses at the Go!Zone Enrollment Center no later than the Refund Period shown on the Academic Calendar or on the class schedule/bill given at registration.

Money Matters / Payment

Withdrawing From Classes

After the first 15 percent of the class term (the refund/census period), a student may still process out of a class; however, a "W" for the withdrawal will appear on the student's permanent record (transcript) and no refund will be granted.

Students are permitted to withdraw until the last 20 percent of the term or course. The **Last Day To Withdraw** appears on the class schedule/bill given to students at registration.

It is the student's responsibility to initiate a withdrawal online or by contacting an advisor at the Go!Zone Enrollment Center. The same is true for students who are taking six or more credit hours and need to withdraw completely from college.

Payment Instructions

Here are the many options for paying tuition and fees.

- **Credit Card** — You may wish to pay the full amount with Visa, MasterCard, Discover or American Express. You can use a credit card with the online registration option or by calling the Cashier at 970-564-6204. You will need both the account number and the expiration date when using any of these cards.
- **By Mail** — A check or money order for the full amount, made payable to PCC, must be received — not post marked — by the deadline. It should be addressed to Cashier's Office, Southwest Colorado Community College, 33057 Hwy 160, Mancos, CO 81328. Please include the Student ID on the payment.
- **In Person** — Pay by cash, check, money order or credit card (if available) at the campus closest to you.
- **Third-Party** — If tuition and fees are to be paid by a third party, submit a copy of the authorization to the Cashier at the time of registration.
- **Deferred Payments** — SCCC provides several payment options. This information can be obtained from the GoZone! closest to you.
- **Financial Aid** — Verification of payment by financial aid — other than work/study — is complete only when the student receives an award letter. Any balance not covered by financial aid must be paid using one of the above payment options.

**Summer Registration DROP FOR NON-PAYMENT
DATE: MAY 19, 2010**

**Fall Registration DROP FOR NON-PAYMENT DATE:
AUGUST 11, 2010**

Payment, promissory note and/or sponsor verification for tuition and fees must be made by this date or all classes will be dropped for non-payment.

The drop for non-payment payment means that after the tuition payment due date, which is May 19, 2010 for summer classes and August 11, 2010 for fall classes, anyone who has not paid his or her account in full, set up a promissory note and made the first payment, signed a Third party form for full sponsorship, or has Financial Aid holding the account, will have all classes dropped for non-payment.

Students who register between the drop for non-payment date and the class census date (usually 1-1/2 weeks into the term) have until Thursday of each week to make payment. Payment for partial term classes, regardless of start date, are also due within this time frame.

If you are unable to make payment or payment arrangements, it is your responsibility to drop your classes by the End of Refund/Census period. If classes are not dropped, you will be financially responsible for tuition and fees.

Students registering after the refund date will not be dropped for non-payment and will be held financially responsible for tuition and fees.

Campus Crime Statistics Pub. L 101-542

Information concerning campus crime statistics is available in the office of the Vice President of Student Services. This information is available upon request and on the PCC website at www.pueblocc.edu/student-services/security.

ID Cards

All students must obtain an ID Card when registering at SCCC. New students must present a copy of their class schedule/bill before ID cards can be issued. Ask how to get your ID in the GoZone! office nearest to you.

General Information

Student E-Mail Account

SCCC students now have access to their own FREE e-mail accounts. This activation process is easy:

- Log into the *MyCommunityED* link on the main SCCC website to get your new student e-mail address and default password.
- From there, go to www.exchangelabs.com and activate your account by creating a new password.
- That's it. After that, all you'll need to do is use the www.exchangelabs.com address to access your e-mail.

Veterans' Information

Persons taking advantage of their educational benefits from the Veterans' Administration should contact the Go!Zone Enrollment Center during regular business hours to report enrollment hours and schedule changes. There is normally a six-week VA processing period.

Graduation Application Deadline

If you expect to receive a degree or certificate at the end of the summer or fall semesters, you need to apply by:

Summer: June 8, 2010

Fall: September 8, 2010

Selective Service Requirement

Male students must indicate their selective service status prior to

enrollment at SCCC. The law pertains to new, transfer, re-admit, and continuing male students. Male students who do not file the registration compliance, consisting of certification of draft registration or the specific legal reason for not being required to be registered, will not be allowed to enroll in classes at SCCC. This is required only once unless the previously certified status has changed.

Release of Student Information

The Family Educational Rights and Privacy Act of 1974 restricts the release of student information to the public without the consent of the student, except for public information. Public information includes: name; date of birth; major field of study; dates attended; degrees and awards received; college-issued email account.

If a student does not wish the college to release public information, this must be stated in writing and presented to the Go!Zone Enrollment Center. The student's written authorization is required to remove the restriction.

Workforce Investment Act

If you are within 1 semester of graduating, you could possibly receive assistance with your college expenses. Visit the Southwest Colorado Workforce Center for more information on the WIA program.

It's waiting for YOU!

VIRTUAL CAMPUS

Virtual Campus courses involve either limited or no attendance at the campus, depending on the class. Instead, these courses allow you to use a computer (at a place and time convenient for you) to access course content. In some cases class meetings are conducted on the web as well. Your instructor may post examinations on the web or ask that you take them on site at the institution. For more information on these courses, call the Virtual Campus Office (AB 213, 549.3343) or visit the website at www.pueblocc.edu/academics/AlternativeEducation.

Log-in directions, information about the online orientation and announcements from the Virtual Campus Office can be found at www.pueblocc.edu. Click on the Virtual Campus link. **Students must have a valid e-mail address to register for these courses.**

Hybrid Courses (5HW)

These courses are offered on campus with an online component. The online component is used to reduce the amount of time required in the classroom. The amount of reduced in-classroom time will be determined by the individual instructors. Required on-campus meeting time/place is listed in class schedule.

PCC Online Classes

Using the Internet, students can take PCC courses without coming to campus. All PCC Online courses are taught by PCC instructors and the cost for these courses for Colorado residents is \$224.10 per credit hour (\$156.10 with COF stipend) and \$246.95 for nonresidents.* For more information on these courses, call the Virtual Campus Office (AB 213, 549.3343) or visit the website at www.pueblocc.edu/academics/AlternativeEducation. Login directions, online orientation information and announcements are available on the website. For convenience, these classes are also in the class schedule listing starting on page 12.

Students must have a valid e-mail address to register for these courses.

CCCS Online Classes

CCCOOnline is a shared educational resource of the community college system. Through CCCOnline, students can earn fully-accredited Associate of Arts, Associate of Science, Associate of Applied Science and Associate of General Studies degrees and certificates in various disciplines. The courses are offered as a shared resource by all of the members of the Colorado Community College System. All coursework is done via the Internet.

There are minimum system requirements in addition to having an Internet provider, an e-mail account and a Java-capable browser.

Students can apply, register for classes and order course books by accessing www.cconline.org. **(The PCC Bookstore does not carry CCCOnline books. Students must order books from the CCCOnline Bookstore.)** Please note: many online classes require using digital textbooks with a digital

textbook fee which students are responsible to pay. Call the Cashier's Office at 719-549-3212 for more information.

Tuition for CCCOnline C11 sections for Colorado residents is \$224.10 per credit hour (\$156.10 with COF stipend)* plus course fees, \$246.95 for non-residents. Payment procedures are the same as for any regular PCC class.

For questions and more information about CCCOnline, contact PCC's Virtual Campus Office (AB 213, 719.549.3343) or via e-mail at distance@puebloc.edu. Login directions and announcements from CCCOnline will be communicated to students by e-mail.

Students must have a valid e-mail address to register for these courses.
