College Closures

Scheduled Closures

The College is closed for Winter Break between the fall and spring semesters. The dates of the closure appear in the fall semester academic calendar and PCC Schedule of Classes.

Unscheduled Closures

When campuses are closed due to unforeseen circumstances such as inclement weather, PCC will post closure information on its website and notify local radio and television stations via FlashNews. The decision to cancel evening classes will be made by 3 p.m. of the same day in most cases. Fremont and Southwest Campus campuses may have different closure announcements than the Pueblo campus due to their locations. For Pueblo information, call 719-549-3200. For Fremont campus information, call 719-296-6100. For Southwest Campus information, call 970-247-2929.

During any campus closure, you still have access to telephone and online services, and you may call 800-314-9250 (toll free) or visit www.pueblocc.edu for application, registration, or grade access information.
