“Conversation Days” session Monday
PCC President Patty Erjavec will host a 1-hour “Conversation Days” session from 2 to 3 pm Monday, April 4, to get input from students, staff, faculty, and members of the community. These questions will be discussed:

1. What are PCC’s “Gaps in Excellence”?
2. How do we measure those gaps?
3. What can be done to narrow those gaps?

The info gathered will be used to develop a new 5-year strategic plan that the college will begin to work on this summer.

Special announcement Thursday

PCC and CSU-Pueblo will host a reception at 9 am Thursday, April 7, in the Barb Fortino Room to announce their new President’s Leadership Program partnership that will begin this fall semester. Students, faculty and staff are invited to attend and learn about this great student opportunity.
