

Career Opportunities

The EMS program prepares you for a career in the pre-hospital health care field as an Emergency Medical Technician at either the Basic, Intermediate, or Paramedic level. Career opportunities include ambulance service, fire service, tactical EMS, critical care transport, and emergency department technician. If you graduate with an AAS degree, you have additional career opportunities in administration and management in the pre-hospital field.

Program Requirements

Entrance requirements:

To enroll in the EMT, EMT-Intermediate, or Paramedic programs, you must be at least 18 years of age, have all current immunizations, and be able to meet the requirements of the Colorado Department of Public Health and Environment EMTS Division Functional EMT Job Description. For enrollment into the AEMT program you must be a current EMT in Colorado. For the Paramedic program, you must have a current Colorado EMT certification, an EMT IV endorsement, successfully complete all pre-screening examinations, and prerequisites, and obtain department approval.

Certificate – AEMT			SEM CRS	SEM COM	GRADE	Transfer Credit or Course Substitution	CR
PREREQUISITES	Prerequisite Courses for Program Admission		10				
AEMT Option Requirements							
<i>Colo. EMT Certification, Math > 264 NGQA</i>	EMS 131	AEMT Fundamentals	2				
	EMS 129	AEMT Pharmacology	1				
	EMS 127	AEMT Special Considerations	1				
	EMS 133	AEMT Medical Emergencies	2				
	EMS 135	AEMT Trauma Emergencies	2
