August 2-6 2010

Kids' College is an interactive, fun, learning opportunity for children in the 1st through 6th grades that will inspire multiple talents through creative and academic-based course offerings. The day will be broken into morning and afternoon sessions (please see schedule) with an hour-long interactive lunch. Lunch activities will include an open art studio, fun movies or old fashioned games in Gardenswartz park. **Students will need to bring their lunches.** Many of our classes will be leaving "The Commons" building campus for fieldtrips. We will be walking to access our outdoor learning environments so please dress appropriately for the day. Wear sunscreen and good walking shoes, and bring a raincoat and a great attitude!

Tuition is only \$150.00 for the 5 day program which includes a morning and an afternoon course and all the materials needed for the courses.

**Morning
Session**
9:00 am to Noon

Animas River Rats

Grades 1 - 6

Using maps, models, games, and outdoor exploration students will investigate the geography, geology, ecology and hydrology of the Animas river system. "WOW—wonders of watersheds"

Fall In Love With Art

Grades 4 - 6

Come join us for a week of art and creativity. Students will study art and art history, and explore different mediums such as digital, clay, earth art, painting and drawing but mostly they will walk away with a new sense of how important and influential art is in our everyday lives.
"I LOVE Art!"

Tomorrow's Science

Grades 1 - 6

Explore some of the most current and ground breaking areas of science and better understand what the scientific future may hold. Students will explore five current areas of science- being "Green", genetics, the science of sickness, physics of the universe, and robotics. "Futuristic Dude!"

**Afternoon
Session**
1:00 to 4:00 pm

Arts and Crafts Around the World

Grades 1 - 6

This class will combine art with a study of global cultures. Students will make tribal masks- Central Africa, origami mobiles - Japanese, mosaics – Roman, batik fabrics – Indonesian, and a Piñata – Latin America.
"Culture Crafts!"

"Sign" me up

Grades 1 - 6

Let your hands do the talking without saying a word. Students will learn basic signs in a fun and truly "hands on" experience. Students will play games, tell a story with their hands, go on hikes and get involved in crafts that all revolve around sign language.
"Sign Up!"

Fall In Love With Art

Grades 1-3

Come join us for a week of art and creativity. Students will play art games, and explore different mediums such as clay, earth art, painting and drawing but mostly they will walk away with a new sense of how important and influential art is in our everyday lives. "I LOVE Art!"

Cooking up Mysteries

Grades 3-6

Throw on a costume, get in character and prepare yourself for some fun! In this class children will be presented with several mysteries to unravel. Kids will be assigned a character for each mystery and will act out their role to help solve "who dunnit"! We will also cook up some *mysterious* snacks to complement each mystery.

Groovy Guitar

Grades 4 - 6

Learn the essential parts, notes, cords, scales and playing techniques. Enjoy jam sessions, create your own song, and learn some famous guitar licks. Students will need to bring their own acoustic guitar or find a rental for this course.
"Rock On!"
