STUDENT CODE OF CONDUCT

Introduction
The community of Pueblo Community College (PCC) includes students who are enrolled in PCC courses at any location which includes the Pueblo Campus, the Fremont Campus in Cañon City, Southwest Colorado Community College, West Campus located in Mancos, and East Campus located in Durango, and any other locations where PCC classes are conducted including internships, clinical, or other work experience classes. Any member of these PCC communities has an obligation to uphold the rules of the PCC community and the laws of the larger community of which they are a part.

The intent of this Code is to ensure that students at PCC neither lose their rights nor escape the responsibility as citizens in their larger community and in the college community. While the activities covered by the laws of the larger community and those covered by PCC's rules may overlap, it is to be understood that the community's laws and PCC's rules operate independently and that they do not substitute for each other. PCC may pursue enforcement of its own rules whether or not legal proceedings are underway or in prospect, and may use information from third party sources (such as law enforcement agencies and the courts) to determine whether College rules have been violated. A PCC student is not exempt from local, state, or federal laws and PCC students have the additional obligation of abiding by all of PCC's regulations. It is the personal responsibility of every member of the PCC community not only to protect his/her own rights, but also to respect the rights of others and to conduct themselves in a manner conducive to learning in an educational environment.

While PCC expects students to adhere to the Student Code of Conduct, PCC also assumes the obligation of clearly identifying and enforcing the Student Code of Conduct. PCC maintains the basic understanding that those students who do not follow and adhere to the Student Code of Conduct must be held accountable for their actions. Additionally, PCC expects students who are enrolled in the following programs to follow the standards identified in the program handbook:

- Automotive Collision Technology
- Auto Service Technology
- Cosmetology
- Culinary Arts
- Dental Assisting
- Dental Hygiene
- Early Childhood Education
- Emergency Medical Services
- Fire Academy
- Library Technician
- Massage Therapy
- Nursing
- Nurse Aide
- Occupational Therapy Assistant
- Physical Therapist Assistant
- Polysomnography Technology
- Psychiatric Technician
- Law Enforcement Academy
- Radiologic Technology
- Respiratory Care Practitioner

Proscribed Conduct (BP 4-30; SP 4-30)
College disciplinary regulations are set forth in writing and in concert with BP 4-30 and SP 4-30 in order to give students general notice of proscribed (prohibited) conduct. These rules and regulations should be read broadly and are not designed to define prohibited conduct in exhaustive terms. It is recognized by the College that students are expected to adhere to PCC regulations and obey to the laws of the larger community and to take personal responsibility for their conduct. A student is therefore subject to two sources of authority: civil/criminal authority and College authority.

Violation of any municipal ordinance, law or regulation of the state of Colorado, or law or regulation of the United States which may cause harm or endangerment to self or others, or somehow compromises the educational mission of the College, may result in disciplinary action, up to and including dismissal from the College. The College does not normally take disciplinary action for off-campus violations, but it retains the right to act in special cases. Disciplinary actions imposed by PCC may precede, and be in addition to, any penalty that might be imposed by an off-campus authority.

When accused of a violation, a student has a right to review the evidence against him or her and to respond to the allegations. However, this does not necessarily mean the right to confront a witness. An attempt will be made to resolve all cases at the lowest level possible.

Any student found to have committed an act of misconduct is subject to disciplinary sanctions.

Misconduct - Includes, but is not limited to, the following actions:

1. Any act of academic dishonesty, which include, but is not limited to:
   a. Cheating—intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise. The term academic exercise includes all forms of work submitted for credit or hours.
   b. Fabrication—intentional and unauthorized falsification or invention of any information or citation in an academic exercise.
   c. Facilitating Academic Dishonesty—intentionally or knowingly helping or attempting to help another to violate a provision of the institutional code of academic integrity.
   d. Plagiarism—the deliberate adoption or reproduction of ideas, words or statements of another person as one’s own without acknowledgment.
   e. Unauthorized Collaboration—intentionally sharing of information or working together in an academic exercise when such actions are not approved by the course instructor.

(This is not meant to be an exhaustive list of all acts of academic dishonesty, but is a guide to help instructors and students understand what constitutes academic dishonesty.)

2. Unauthorized possession of examinations, answer keys, reserve library materials, computer software, computer codes, or laboratory materials.
3. Unauthorized changing of grades, or attempting to change grades, in any manner, including on an examination, in an instructor's grade book or in a grade report; or unauthorized access to academic computer records.

ADMINISTRATION OF STUDENT DISCIPLINE

The responsibility of administering the PCC student discipline system is delegated to the Vice President of Student Services. The Vice President of Student Services may delegate authority to other groups or individuals for handling violations of the College Code of Conduct.

The College believes that all cases should be resolved at the lowest level possible, and all discipline-related activities should be monitored by a central administrative authority to ensure fairness and consistency. Therefore, all disciplinary proceedings and sanctions imposed by any designated discipline officer will be reported to the Vice President of Student Services or designee for record-keeping purposes.

When a case is not resolved at the lowest possible level, other persons may become involved in the discipline process as identified herein.

The following procedures summarize the process for all disciplinary cases which are a reflection of student behavior. Included in such behaviors are allegations of Academic Dishonesty.

Procedure (Appendix A – Flow Chart)

Any member of the College community may file a complaint or charges against any student for proscribed conduct, misconduct, or violations, hereby referred to as misconduct. Charges shall be prepared in writing and submitted to the Chief Student Services Officer (Vice President of Student Services). Any charge should be submitted as soon as possible after the event takes place.

College disciplinary proceeding may be instituted against a student charged with violation of a law if the violation occurred at the College or College-sanctioned activity or was of such a nature as to impact upon the College which is also a violation of the College's Student Code of Conduct. Proceedings under this procedure may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.

The procedural rights afforded to students may be waived by the student.

Decision

The Vice President of Student Services or designee, henceforth referred to as the Officer, shall receive all allegations of student misconduct and will investigate the complaint and make a decision. The Officer may decide that the charges can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Officer. If an administrative resolution is not achieved, the Officer shall issue a decision, which can be that:

- the allegation is dismissed as unfounded
- the allegation is dismissed for lack of clear and convincing evidence
- the student or organization representative has admitted to violating a standard and a sanction (or sanctions) will be imposed
- a violation of the Code of Conduct has occurred based on clear and convincing evidence, and a sanction or sanctions will be imposed
- sanctions will be imposed, up to and including dismissal from the college.

The student shall receive written Notice of the Decision and be advised of his/her right to appeal the Decision by filing a written appeal with the Vice President of Student Services within seven (7) days of service of the Decision. In the case of suspension or expulsion, the sanction shall be imposed no earlier than six (6) days after service of the Notice unless it is a summary suspension or the sanction is agreed to by the student. If an appeal is requested, suspension and/or expulsion shall not be imposed until the appeal procedures below have been completed.
Sanctions (per SP 4-30)
The following sanctions may be imposed upon any student found to have violated the Student Code:

A. **Warning**: A Notice served upon the student advising him/her that he/she is violating or has violated College regulations.

B. **Probation**: After a finding of violation of the Code of Conduct, restriction of student’s privileges for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any College regulations during the probationary period.

C. **Other disciplinary sanction**: Fines, restitution, denial of privileges, assignment to perform services for the benefit of the college or community; or other sanction that doesn’t result in the student being denied the right of attending classes.

D. **College suspension or expulsion**: An involuntary separation of the student from the College for misconduct apart from academic performance for a specified period of time.
   a. **Suspension** is a separation that shall not exceed two academic terms per suspension for any singular offense or situation. While a student is suspended, he or she is not eligible for admission or re-admission at any of the community colleges within the Colorado Community College System. Once the suspension is lifted the student is eligible for admission or re-admission. Students may be suspended from a class, residence hall, use of a college facility or an activity in the sole determination by an authorized college employee that the conduct is in violation of the Code subject only to an appeal to the Chief Student Services Officer to ensure that the action was taken pursuant to college policies. Students may be suspended from one class period by the responsible faculty member, longer suspensions can be done only in accordance with college procedures.

b. **Expulsion** is a separation for more than two academic terms. While a student is expelled, he or she is not eligible for admission or re-admission at any of the community colleges within the Colorado Community College System. After the expulsion, a student’s eligibility for re-admission is contingent upon their ability to prove the behavior that resulted in the expulsion has been resolved.

c. **Academic Sanctions** - if the violation is an act of academic dishonesty, then a student may receive an academic sanction up to and including an “F” in the course as defined by the faculty/instructor/syllabus, etc. Academic dishonesty is considered a violation of the Student Code of Conduct and students are subject to College Discipline.

NOTE: A student may not withdraw from a course in order to avoid possible academic and disciplinary sanctions. If a student is suspected of committing an act of academic dishonesty, then the case must be resolved before the student can initiate a withdraw. Once a student receives an “F” in any course as an academic sanction, the student cannot withdraw from the course. If a student appeals the determination or sanction, the student may not withdraw from the course until after the appeal is resolved. If the appeal process results in the sanction being upheld, then the grade of “F” for that course will be placed on the student’s official transcript.

More than one of the sanctions listed above may be imposed for any single violation.

Imposition of Sanctions
Any disciplinary sanctions imposed by the Officer of the Impartial Decision Maker shall be operative immediately upon notification, unless otherwise specified, or unless the Accused appeals, in which case sanctions will be stayed unless deemed necessary for the protection of other persons.

Summary Suspension
In certain circumstances, the Vice President of Student Services, or a designee, may impose a College suspension prior to the disciplinary hearing.

Summary suspension may be imposed only:
   1. to ensure the safety and well-being of members of the College community (including the student) or preservation of College property; or
   2. if the student poses a definite threat of disruption or interference with the normal operations of the College.

During the summary suspension, student shall be denied access to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as determined to be appropriate by the Vice President of Student Services or designee.

In such event, a hearing before the Impartial Decision Maker (if requested by the student) shall occur as soon as possible following the suspension.
Appeal
In the event of an appeal, the Vice President of Student Services shall designate an Impartial Decision maker for the process. The Impartial Decision Maker may be an individual, (the Vice President of Student Services can serve in this capacity), or a panel. A panel will be composed of three (3) members, with at least one (1) member being from Instruction and at least one (1) member being from Student Services or Administrative Services. The third member can be from Instruction, Student Services, or Administrative Services.

The Impartial Decision Maker shall give written Notice to the student that describes the conduct to be inquired into; the Student Code of Conduct and/or College policies or procedures which were allegedly violated; the date, time, and place of the alleged violation; the sanction that is threatened and the date, time, and place of the hearing before the Impartial Decision Maker. The Notice shall be given at least seven (7) days prior to the hearing, unless a shorter time is agreed to by the parties. Time limits for scheduling of hearings may be extended at the discretion of the Impartial Decision Maker or College President.

Conducting of Appeal Hearings
The Impartial Decision Maker shall determine his/her own hearing procedures, keeping in mind the following guidelines:

1. The student shall have the right to be heard by the Impartial Decision Maker. In the event that the student is under the age of eighteen or incapacitated, he/she may have an advisor present to assist him/her in presenting his/her case.
2. Students do not have the right to be represented by an attorney during these proceedings except in the case where civil or criminal actions concerning the student are pending and in that case the attorney's role shall be advisory only.
3. The student is responsible for presenting his/her own case and, therefore, advisors are not permitted to speak or to participate directly in any hearing except as provided in #1 above.
4. The student shall have the right to identify documents, witnesses and other materials he/she would like the Impartial Decision Maker to review before making a final decision.
5. Hearings shall be conducted in private unless all parties agree otherwise.
6. A record of the hearing should be maintained by the Impartial Decision Maker.

Determination by Impartial Decision Maker: The Impartial Decision Maker shall make his/her Findings and Determinations in a closed meeting out of the presence of any parties to the appeal. Separate findings are to be made as to the conduct of the student, and on the sanction(s), if any, to be imposed. No discipline shall be imposed on the student unless the Impartial Decision Maker is persuaded by a preponderance of the evidence that the student committed the alleged conduct and that it constituted a violation of the Code of Conduct and/or College regulations; that the student should be sanctioned (including modifying the sanction imposed below); and that the discipline is reasonable given the violation. The student shall be given written Notice of the decision. The decision shall be issued within five (5) calendar days of the close of the hearing and it shall become final unless a petition for review is filed.

Petition for Review: The student may petition the College President to review the Impartial Decision Maker's decision by filing a written petition within five (5) calendar days after notification of the decision. If a review is requested, the other party will be given three (3) days to respond to the petition and his/her response materials will be given to the College President to review before a decision on the petition is made.

President's Decision: The College President shall review the record of the case and the petition and may affirm or reverse the decision of the Impartial Decision Maker. The record shall consist of the Impartial Decision Maker's written documents and the recording of the hearing and any written materials submitted in support of the Petition for Review. The College President shall notify the Chief Student Services Officer and the student in writing of his/her decision within fourteen (14) days of service of the Petition for Review. The College President's decision is final.
ACADEMIC DISHONESTY

While cases involving academic dishonesty are considered a behavior and therefore handled as discipline cases, the College has established the following procedure as its process for adjudicating academic dishonesty.

Pueblo Community College is committed to providing a superior educational experience for all students who attend the College. Academic integrity and honesty in all educational classrooms and programs are critical in providing this high level of education.

The College places a strong expectation on all students to act honestly in all situations. The College does recognize that some students will choose to commit acts of academic dishonesty, which places an expectation on all faculty and staff to confront these acts of academic dishonesty. When a student is suspected of committing an act of academic dishonesty, the College will follow the process listed below, which assures that the College’s standards are upheld and the student’s due process rights are respected.

What is “Academic Dishonesty”?
“Academic Dishonesty is any form of cheating and plagiarism which results in students giving or receiving unauthorized assistance in an academic exercise or receiving credit for work which is not their own.”

Academic dishonesty is a behavioral issue, not an issue of academic performance. As such, it is considered an act of misconduct and is subject to the College disciplinary process as defined in the Student Code of Conduct, which is found in this Student Handbook (Page 7).

What Are Specific Acts of Academic Dishonesty?
As listed in the Student Code of Conduct (Page 7) the following acts of Misconduct are acts of academic dishonesty:

1. Cheating—intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise. The term academic exercise includes all forms of work submitted for credit or hours.
2. Fabrication—intentional and unauthorized falsification or invention of any information or citation in an academic exercise.
3. Facilitating Academic Dishonesty—intentionally or knowingly helping or attempting to help another to violate a provision of the institutional code of academic integrity.
4. Plagiarism—the deliberate adoption or reproduction of ideas, words, or statements of another person as one’s own without acknowledgment.
5. Unauthorized Collaboration—intentionally sharing information or working together in an academic exercise when such actions are not approved by the course instructor.

(This is not meant to be an exhaustive list of all acts of academic dishonesty, but is a guide to help instructors and students understand what constitutes academic dishonest.)

Academic Sanctions
The goal of the disciplinary system at PCC is to hold students accountable for their actions and to educate students. Appropriate sanctions help the College to teach, and the student to learn, that there are negative consequences to inappropriate or dishonest actions.

The College strives for consistency in sanctions imposed for acts of academic dishonesty, while still allowing the instructor a certain level of professional discretion. Instructors are expected to impose an appropriate grade penalty up to and including an “F” in the course. Potential grade penalties for academic dishonesty are to be stated in each course syllabus.

In addition, limited-entry programs may outline program sanctions for academic dishonesty, which can include dismissal from the program. These additional sanctions are to be detailed in each program’s handbook.

NOTE: A student may not withdraw from a course in order to avoid possible academic and disciplinary sanctions. If a student is suspected of committing an act of academic dishonesty, then the case must be resolved before the student may initiate a withdrawal. If a student receives an “F” in any course as an academic sanction,
the student may not withdraw from that course. If a student appeals the determination or sanction, the student may not withdraw from the course until after the appeal is resolved. If the appeal process results in the sanction being upheld, then the grade of “F” for that course will be placed on the student’s official transcript.

**Disciplinary Sanctions**
In addition to any academic sanction(s), a student found to have committed an act of academic dishonesty is placed on disciplinary probation for at least the remainder of the semester of infraction and the next two semesters of attendance. If a student is already on disciplinary probation, the Vice President of Student Services will schedule a hearing to determine if additional sanctions are warranted. Additional sanctions include, but are not limited to, disciplinary suspension and disciplinary expulsion.

**Academic Dishonesty Procedure** *(Appendix B – Flow Chart)*

**A. Initial Response by Instructor**
When an instructor believes that an act of academic dishonesty has taken place, the instructor is required to meet with the student. This meeting is to take place as soon after the incident as possible. The instructor informs the student of the accusation and reviews the evidence with the student, then allows the student to present evidence or comment on the evidence that has been presented. The instructor then determines, based upon a preponderance of evidence (which would include the student admitting to committing an act of academic dishonesty), whether or not an act of academic dishonesty has taken place.

One of two determinations is possible: 1) that an act of academic dishonesty did not take place and the case is dismissed, or 2) that an act of academic dishonesty did take place.

The instructor then informs the student of the determination. If it is determined that a violation did take place the instructor informs the student of the proposed sanction(s). The instructor also informs the student of his/her appeal rights. *(SEE APPEAL PROCESS BELOW)*. The instructor will forward a copy of the event, determination and sanction(s) to the department chair.

**B. Sanction(s) Review by Department Chair**
If the student chooses not to appeal, then the instructor documents the event, determination and sanction(s), and forwards a copy of these to the department chair.

The department chair will review the proposed sanction(s) from the Instructor and respond within one (1) week of receiving the proposal. If the department chair approves, then the sanction(s) can be imposed immediately. The department chair will forward a copy of the event, determination and sanction(s) to the Academic Dean and Vice President of Learning (VPL). The VPL will forward all decisions to the Vice President of Student Services (VPSS).

If the department chair does not approve the sanction(s), then the chair meets with the instructor to determine appropriate sanction(s). The instructor meets with and informs the student of the new sanction(s). The instructor also informs the student of his/her appeal rights. *(SEE APPEAL PROCESS BELOW)*. A copy of the event, determination and sanction(s) will be forwarded by the department chair to the Dean and VPL. The VPL will forward all decisions to the VPSS.

**Appeal Process**
If the student chooses to invoke his/her appeal rights based on the instructor’s or department chair’s decision or recommended sanction(s), the student must file a written appeal to the Dean who oversees the instructional department within five (5) working days of the notification of the initial determination.

An administrative hearing will then be scheduled within one (1) week of the filing of the appeal, and the Dean will either serve as the Hearing Officer or designate another (such as another department chair, if the department chair is the instructor, or a PCC faculty or staff member) as the Hearing Officer for the hearing. The Hearing Officer reviews all evidence from both the instructor and the student, then determines the findings of the case and reaches a determination.

The Hearing Officer can make one of two determinations: 1) that no violation took place and the case is dismissed, or 2) that a violation did take place. If the hearing officer determines that academic dishonesty did take place, the Hearing Officer informs the student of this determination in writing and informs the student of any appeal rights *(SEE FINAL LEVEL OF APPEAL)*.
If the student chooses not to appeal, then the Hearing Officer forwards the proposed sanction(s) to the appropriate Dean who will in turn notify the department chair of the determination. The Dean will forward the determination to the VPL and the VPL will forward the final determination to the VPSS.

**Final Level of Appeal**
If the student chooses to appeal the determination of the Hearing Officer, the student must file a petition for review with the VPL within five (5) working days of notification of the decision. The VPL or designee reviews the written records and issues a written decision. The Vice President of Learning’s (or designee’s) decision is final. The VPL will forward all decisions to the VPSS.

**Timelines for Appeals**
Department chairs, instructional Deans and the Vice President of Learning may, for good cause, extend the scheduling timelines described above.

**Suspected Academic Dishonesty Outside of the Classroom**
The College requires that standards of academic integrity and academic honesty be upheld outside the classroom as well as inside the classroom. If a student is suspected of committing an act of academic dishonesty outside of the classroom (in a lab, the Library, the Learning Center, online, etc.) the student will be subject to the following:

- The person who believes that academic dishonesty took place will gather all available evidence and forward it to the instructor of record for the class in question. The instructor will then confront the student with the evidence and follow the steps as outlined above (see Academic Dishonesty Procedure – Page 15.)

**Student Rights**
As with any disciplinary case, a student has certain rights. These rights are:

1. The right of Due Process, where the student is notified of the accusations, is presented with the evidence related to the accusations, and has the opportunity to respond to the evidence and present his/her own evidence.
2. The right to have each determination based upon a preponderance of evidence (that it is more likely than not that the action took place).
3. The right that the sanction(s) be fitting for the violation.

**Role of the Vice President of Student Services**
It is the responsibility of the Vice President of Student Services to keep track of all disciplinary actions that are taken against students. Since cases of academic dishonesty are disciplinary cases ALL cases need to be reported to the Vice President of Student Services. If a student has been found to have committed two or more acts of academic dishonesty, or if the student is on disciplinary probation for other behavioral issues, the Vice President of Student Services must conduct a hearing to determine if additional sanctions are in order. Additional sanctions can include, but are not limited to, disciplinary suspension or expulsion.

Questions concerning this process can be directed to the Vice President of Learning or any instructional dean.

*Approved by Pueblo Community College Cabinet effective September 1, 1996. Latest review and revision: September 2011*

**Drug & Alcohol (BP 3-24)**
Pueblo Community College is a state system community college governed by the Colorado Community College System (CCCS). The Board Policy (BP 3-24) requires the College to comply with the Drug Free Schools and Communities Amendment of 1989 (PL 101-226). In order to comply with this law, Pueblo Community College will distribute to each student and employee, on an annual basis, a publication that will include the following:
Pueblo Community College strictly prohibits unlawful manufacture, distribution, dispensation, possession, use/abuse of alcohol and/or illegal substances at any buildings or lands owned or used by PCC.

**Drug & Alcohol Policy Statement**

Pueblo Community College is committed to the health and well-being of its students and employees. As part of this commitment, PCC complies with and upholds all Federal, State, and local laws that regulate or prohibit the possession, use or distribution of alcohol or illegal drugs. Violations of such laws that come to the attention of College officials will be addressed within the College or through prosecution in the courts, or both.

As a recipient of federal grants and contracts, PCC adheres to the provisions of the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendment of 1989. Also, as a member of the Community Colleges of Colorado, PCC adheres to the State Board for Community Colleges and Occupational Education BP 3-24, Drug-Free Workplace Policy.

Accordingly, all PCC full-time and part-time students and employees are hereby notified of the following standards of conduct that PCC will apply to all activities conducted on College-owned or College-controlled property and to all other College-sponsored activities.

**Sanctions for Drug & Alcohol Use**

- Local, state, and federal laws make illegal use of drugs and alcohol serious crimes. Convictions can lead to imprisonment, fines and assigned community service.
- In order to assure fair and consistent treatment of all students or employees who are accused of illegal use of drugs and alcohol, the College will handle all cases which come to its attention within the guidelines of the applicable policies and procedures of the College as well as local, state, and federal regulations.

**Laws Related to Drug & Alcohol Use and Sale**

Pueblo Community College will take immediate action if any student or employee is violating a law related to the use and sale of alcohol and/or drugs.

The possession, sale, and use of any illegal drug are strictly prohibited on the PCC Campus. Any violations will be immediately referred to the Pueblo County Sheriff’s Office. Alcohol sale, use, and possession are dictated by Colorado law and PCC Policies and Procedures. PCC will strictly enforce these laws and policies. The following applies to all students, employees, and guests of the College:

- The sale of alcoholic beverages is prohibited except in designated areas, at times and dates approved by PCC Administrators and licensed by the Colorado State Department of Revenue.
- Persons under 21 years of age cannot legally possess or consume malt (6 percent beer), fermented malt liquor (3.2 percent beer), or vinous or spirituous liquor. The furnishing of alcoholic beverages to under-age persons is prohibited.
- No person under legal drinking age or any obviously intoxicated person shall be furnished, served, or given an alcoholic beverage.
- Alcohol cannot be consumed or carried in open containers on any street, sidewalk, alley, automobile, or public area.

**Health Risks**

There are definite health risks associated with the use of alcohol and illegal substances. Alcohol or any other drug used in excess over time can produce illness, disability, and death. The health consequences of substance abuse may be immediate and unpredictable, such as cardiac arrest with cocaine use, or more subtle and long term, such as liver deterioration, associated with the prolonged use of alcohol.
Among the risks are the following:

**Alcohol Use & Abuse**
Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood of a traffic accident. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Alcohol use also affects the body. Repeated used can lead to dependence. Long-term consumption can lead to permanent damage to vital organs such as the brain and liver.

Mothers who drink during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than others of becoming alcoholics themselves.

**Controlled Substance Abuse**
Controlled substance abuse causes varied physical and psychological reactions that can be permanent or temporary. Excessive drug use (depending on the drug) can cause respiratory depression, nausea, slurred speech, disorientation, drunken behavior, increased alertness, excitement, euphoria, increased pulse rate and blood pressure, insomnia, loss of appetite, illusions and hallucinations, and poor perception of time and distance.

Effects of drug overdose (depending on the drug) can result in slow and shallow breathing, clammy skin, convulsions or seizures, weak and rapid pulse, agitation, increased body temperature, hallucinations, psychosis, fatigue, paranoia, coma, and possible death.

Other concerns relating to substance abuse include the following:
1. Regular users of alcohol and other drugs often have erratic life styles which interfere with sleep, nutrition, and exercise.
2. Alcohol and substance use and abuse may lead to financial difficulties, domestic violence, deterioration of the family structure, motor vehicle accident injuries, and reduced job performance.
3. Repeated use of alcohol can lead to dependence.

**Resources Available to Students and Employees**
The communities that serve the Campuses of Pueblo Community College provide several resources for educational programs related to alcohol and drug use. These programs are provided by law enforcement agencies, mental health services, and local hospitals.

Pueblo Community College does not endorse any one treatment program or facility; however, a comprehensive listing of resources for the treatment of alcohol and drug abuse can be found in your local phone book yellow pages under “Alcoholism” and under “Drug Abuse Information & Treatment.” Or you may contact the following organizations in your community where your Campus presides.

- Members of the campus community, as well as visitors, are expected to behave in ways that do not interfere with the educational process at Pueblo Community College. PCC prohibits individual behavior that interferes with, disrupts, impairs, or obstructs the processes, procedures, or functions of the College. Failure to comply with this policy could subject the individual to warning, probation, removal from the campus, arrest, barring from the campus, or any other sanctions applicable under the Student Code of Conduct (see Page 7), College Personnel Policies, or state or federal laws. The Vice President of Administration or his/her designee will initiate actions to be taken under this policy.

Sexual Harassment

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when one or more of the following criteria are met:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or of academic status in course, program or activity.
2. Submission to or rejection of such conduct by an individual is used as the basis for employment or academic educational decisions affecting such individual.
3. Such conduct is sufficiently severe, persistent or pervasive to have the purpose or effect of unreasonably interfering with an individual’s work/academic performance or creating an intimidating, hostile or offensive working/learning environment.

Matters having sexual connotation, which arise as part of the legitimate educational curricula and do not exploit students to a private advantage would not violate college policy unless used in an improper manner. Examples of sexual harassment may include, but are not necessarily limited to:

1. Physical assault
2. Direct or implied threats that submissions to sexual advances will be a condition of employment, work status, promotion, grades, or letter of recommendation
3. Direct propositions of a sexual nature
4. Subtle pressure for sexual activity
5. A pattern of conduct intended to discomfort or humiliate, or both, a reasonable person at whom the conduct was directed that includes one or more of the following:
   i. Touching, patting, hugging, or brushing against a person’s body
   ii. Remarks of a sexual nature about a person’s clothing or body
   iii. Remarks about sexual activity or speculation about previous sexual experience
   iv. The display in the work or educational arena of sexually suggestive objects or pictures

The College is committed to upholding this policy prohibiting sexual harassment. Violation of this policy may be grounds for dismissal. While it is the purpose of this policy to protect all persons associated with the College from sexual harassment, it shall also be a violation of this policy to knowingly make false allegations of sexual harassment.
Individuals who feel that they have been subjected to sexual harassment and are in need of further information as to the procedures, may contact the Director of Human Resources, 900 West Orman Avenue, Central Administration, Room 112, Pueblo, CO 81004; Phone: 719.549.3220. All matters involving sexual harassment complaints are taken seriously and shall be investigated. Complaints shall remain confidential to the extent possible. Filing of a complaint or otherwise reporting sexual harassment shall not reflect upon the individual's status or affect future employment, work assignments, or grades.

**Sexual Misconduct**

Sexual misconduct, including sexual assault and sexual abuse, by any member of the college community will not be tolerated. The College will respond in a firm and judicious manner to all reports of alleged incidents of sexual misconduct.

**Definitions**: Sexual assault is defined as sexual penetration by use of force or threat of force, or by taking advantage of a victim's helplessness. Sexual abuse is defined as an act of a sexual nature not covered under sexual assault and which includes but may not be limited to fondling and touching of sexual body parts without consent.

**Reporting**: Alleged victims of sexual misconduct or persons with knowledge of such incidents should file a report immediately with the Public Safety Office at Pueblo Community College (College Center, Room 160; Phone: 549.3144) and/or their local law enforcement agency. All reports will be thoroughly investigated and referred to the Vice President of Student Services who will conduct a separate investigation.

If an investigation results in the filing of charges, the case will progress according to the Student Code of Conduct. Disciplinary proceedings will be instituted against a student charged with sexual misconduct independent of any external criminal investigation and/or proceedings off campus. If the charges of sexual misconduct are found to have merit, sanctions such as, but not limited to, disciplinary probation, suspension or expulsion may be imposed. Alcohol and other intoxicants will not be used as a defense for sexual misconduct. Federal law requires that all incidents of sexual assault are to be included in the College's annual crime statistics report available to the public.

**Evidence**: Every effort should be made by the alleged victim and others to preserve any and all evidence obtained as a result of the incident and present such evidence to the appropriate law enforcement officials for possible use later either in criminal action or College disciplinary action.

**Rights of the alleged victim and alleged perpetrator**: Confidentiality of both the alleged victim and alleged perpetrator will be maintained throughout the investigation and hearing. The case will be handled as any other student discipline case. However, the following stipulations will also apply:

- **Both parties will** have the same opportunity to have others present, and will be informed of the outcome of any disciplinary proceedings.
- **The alleged victim will** be informed of his/her option to notify law enforcement, be notified of counseling services, and be notified of options for changing academic and living situations.

**Violence/Firearms on Campus**

Violent behavior or the threat of violent behavior toward employees, students, the general public, college property or college operated facilities will not be tolerated. Pueblo Community College adheres to State Board for Community Colleges and Occupational Education Policy 19-10 and Colorado Community College System President’s Procedure 19-10 in enforcement of firearms on campus.
GENERAL POLICIES

Animals on Campus
Pueblo Community College is an educational institution that offers supervised educational and recreational events on campus for adults as well as children. PCC strives to provide a healthy academic environment where students, staff, faculty, and administrators can expect to attend and teach class, or complete work or projects in laboratories, libraries, offices, and other work places with a minimum of distractions or interruptions. To ensure that the appropriate academic environment is maintained, PCC has adopted the following regulations that will be enforced by the appropriate administrative supervisor:

In consideration of personal safety and sanitation privately owned animals are not permitted in any Pueblo Community College buildings with the following exceptions:

1. Service animals, to include seeing-eye or leader dogs for the visually handicapped.
2. Animals brought on campus for a specifically authorized and approved show, contests, or event involving the display or demonstration of skills of trained animals.

- Any animal on campus must be leashed and controlled at all times. Persons violating this policy will be requested to leave campus immediately with their animal. Animals found unattended may be impounded by PCC Public Safety or local law enforcement and turned over to animal control officers.
- Animals visiting campus must be closely supervised by an adult at all times.
- Animals will be prohibited from entering dangerous settings such as labs and equipment rooms without the approval of the appropriate dean or administrative supervisor.

- Animals under the care of the instructor may not attend class without the prior approval of the immediate supervisor.
- Animals may, on rare occasions and with the approval of the supervisor, accompany an employee to the workplace. However, the expectation is that employees will make alternate arrangements for the care of their animals during normal working hours.
- Animals taking part in programs and/or special events on campus are expected to abide by the rules and regulations established by the program or event sponsors.

Bicycle and Skateboards on Campus
In order to avoid accidents or hazardous situations that might threaten the health and safety of persons on PCC campuses, the operation of skateboards, longboards, rollerblades, and bicycles on any PCC campus is prohibited except in parking lots. Restrictions of usage of skateboards, longboards, rollerblades, and bicycles on public sidewalks and walkways on the Pueblo and Durango campuses will be regulated by the local city ordinances.

Campus Sex Crimes Prevention Act
The federal Campus Sex Crimes Prevention Act of 2000 (CSCPA), which became law October 28, 2000, but which delayed certain provisions until October 28, 2002, amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act.

CSCPA provides special requirements relating to registration and community notification for sex offenders who are enrolled in or work at institutions of higher education. In addition to the Wetterling Act, CSCPA also amended the Clery Act, an annual crime reporting law, and the Family Educational Rights and Privacy Act of 1974 to allow the disclosure of this information regarding students.

As provided in the Wetterling Act, any person required to register under a state sex offender registration program must notify the state regarding each institution of higher education in the State of which the person is employed, carries on a vocation, or is a student and must also alert the state of any change in enrollment or employment status. In the state of Colorado, convicted sex offenders must register with the Colorado Sex Offender site maintained by the Colorado Bureau of Investigation. In accordance to the CSCPA, Pueblo Community College is providing a link to the Colorado Sex Offender Registry http://sor.state.co.us/. PCC requires all registered sex offenders “SO” to contact the Vice President of Student Services office prior to enrolling at PCC.
The Colorado Sex Offender Registry Law is available via Internet pursuant to Colorado Revised Statute 16-22-110. Registry information provided under this section shall be used for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general and children in particular. Unlawful use of the information for purposes of intimidating or harassing another is prohibited and willful violation shall be punishable as a Class I misdemeanor.

Persons seeking information about registered sex offenders residing within a specific geographic area which serves our campuses may contact their local police or sheriff’s office.

Complaints
Pueblo Community College welcomes comments, suggestions or feedback from students, clients, or volunteers. Individuals are encouraged to provide feedback or seek resolution about any concern or complaint at the lowest informal level progressing through the appropriate chain of command at all PCC campuses. If the concern or complaint is not resolved through an informal process, a written complaint may be submitted to the Vice President of Student Services.

Complaint Procedures
If you are taking any Pueblo Community College courses, and you have a complaint about your experience with Pueblo Community College (PCC), you have two options:

1. You can follow Pueblo Community College’s process for student complaints, which can be found in the Student Handbook. You may also contact the Higher Learning Commission [http://www.ncahlc.org/](http://www.ncahlc.org/), which is Pueblo Community College’s accrediting agency.
2. If you are residing outside of Colorado while attending Pueblo Community College, in many cases you can file a complaint in the state where you are residing. As required by federal regulations, a list of agencies in each state where complaints can be filed can be found at [www.sheeo.org/agencies.asp#CO](http://www.sheeo.org/agencies.asp#CO).

Before exercising either of the above options, you should know that most (if not all) external complaint processes require that the student exhaust all avenues of complaint internal to the institution before they will consider a grievance.

Distribution of Printed Materials
Unauthorized distribution of printed materials and publications on campus is strictly prohibited, including handing out materials and putting information on car windshields. Written information may be disseminated on the PCC campus at designated locations by individual students, employees, or recognized student organizations.

NOTE: When posting information on campus, it must be related directly to the College and should have the statement “This event is sponsored or co-sponsored by Pueblo Community College” or just “Pueblo Community College” typed on the top of the flyer or poster. All advertising of events by students, faculty, and staff must be related to the everyday scope of the institution. Posters and announcements for legitimate academic activities at other colleges may be posted on bulletin boards in classroom buildings and the Student (College) Center.

A service, event, or activity, must use the bulletin boards provided throughout the campus, and must be approved by the Director of the Student (College) Center and Student Activities or his/her designee.

Written information may only be posted in approved locations. Approved locations for posted materials may be acquired from the Director of the Student (College) Center and Student Activities or his/her designee. Permission to use building bulletin boards is at the discretion of the Director of the Student (College) Center and Student Activities as appointed by the Vice President of Student Services. Designees will be assigned the responsibility to approve posting printed materials. The Director of the Student (College) Center and Student Activities will identify designees for each building and off-campus sites. All posted materials must additionally conform to facility operating policies where they exist, i.e., Student (College) Center, Dr. Mike Davis Academic Building, and other campus buildings. Questions related to the interpretation of this policy shall be directed to the Director of the Student (College) Center and Student Activities.
Anyone who wishes to publicize the sale of textbooks may do so with permission from the Director of the Student (College) Center and Student Activities, and may only post them on the board directly in front of the College Bookstore. Students, staff, faculty, or outside individuals will not be allowed to post sales flyers for anything other than textbooks on the bulletin boards throughout the campus.

Political posters and signs may not be posted at any location on any PCC campus except during an organized event that has been approved by the College.

Written materials may not be placed in non-approved locations, including but not limited to walls, glass, doors, floors, or any part of a college building or structure, traffic sign, power pole, sidewalk, or tree. Printed materials will not be placed on automobiles.

Temporary directions or signs for a convention, tour, or other special event may be placed on single stakes, but must be removed by the sponsoring group as soon as the event is over.

**Parades and Demonstrations**

Permission for parades and demonstrations on campus must be secured from the Vice President of Student Services and the College. The Vice President of Student Services may restrict parades or demonstrations that impede the academic process at PCC and/or that are in conflict with the mission of PCC.

**Speakers on Campus**

The following provisions apply to student organizations and other PCC recognized organizations that sponsor/invite speakers at the PCC Campus:

1. A student organization must be recognized by the PCC Associated Student Government as an official student organization before the organization can issue any invitation to an off-campus speaker. Prior to inviting the speaker, the organization must complete a special function form.
2. The College reserves the right to select a full-time member of the College’s faculty or professional staff to preside at meetings at which off-campus persons are speaking.
3. The sponsoring organization shall assume full responsibility for courteous treatment of the speaker and ensure him/her the freedom to speak.
4. Speakers shall agree to receive and answer questions from the audience.
5. Any official student organization that violates the speaker policy or any of these regulations shall be subject to disciplinary action that may result in the loss or suspension of recognition, or the imposition of other sanctions.
6. The Vice President of Student Services, or his/her designee, shall be notified of all speakers invited to campus.

**Student Privacy Rights**

The Family Educational Rights and Privacy Act of 1974 (FERPA), commonly known as the Buckley Amendment, protects a student’s right to privacy regarding one’s educational records. The Act helps protect the privacy of student records by requiring that PCC limit the disclosure of information from these records to third persons, as well as notify students of the right to review and correct student records. Upon request, Pueblo Community College also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

PCC may release the following directory information about students to the public (as of July 2010):

Students who do not wish PCC to release this information must file a written request with the Records Office. For more information about the Buckley Amendment, contact the Records Office.
Surveys and/or Research at Pueblo Community College (Per PCC Policy 550)
While surveying students and conducting research can be important methods for advancing knowledge, Pueblo Community College reserves the right to endorse, allow, or not allow surveys and research at the College, and the right to determine the timing of when surveys and research may be conducted as stated in PCC Policy 550. The Office of Institutional Research (OIR) is responsible to review all proposed surveys and questionnaires; protect the rights of human subjects; ensure good survey methodology and design; prevent specific populations from being over-surveyed; avoid the collection of duplicated information; and encourage sharing of survey results with the PCC community. The OIR is authorized to review, approve, require modifications in, or disapprove surveys or questionnaires conducted by or through the College. All survey, questionnaires, and research activity/project requests must be approved prior to administration. Contact the Office of Institutional Research (OIR) and submit the Survey/Questionnaire Request Form.

GRIEVANCE PROCESS

Pueblo Community College provides a grievance procedure for students which are intended to allow students an opportunity to present an issue they feel warrants action. A grievable matter is any alleged action which violates or inequitably applies to written college policies or procedures. Matters that are not grievable include those matters which the College is without authority to act, grades and other academic decisions unless there is an allegation that the decision was motivated by illegal discrimination and disciplinary actions taken pursuant to BP 4-30.

Administrative Process:
A student who is filing a grievance (hereby referred to as the grievant) is encouraged to resolve the issue at an informal level by discussing the concern with the appropriate Respondent (another student, volunteer, client, faculty member and/or administrator identified by the grievant as causing or contributing to the grievance) or their supervisor. In the case of a grievance that is based upon one's race, color, religion, national origin, sex, age, or disability, the grievant may first contact the Director of Human Resources to seek informal resolution of the issues. If the grievant alleges facts that might constitute sexual harassment, the Director of Human Resources shall investigate and process the complaint under that procedure.

If the grievant is unable to resolve the concern at the informal level, then he/she may proceed to the formal level. The grievant should file, no later than ten (10) calendar days from the date of the informal resolution meeting with the Vice President of Student Services (VPSS) as a written statement of the actions complained of and description of the remedy he/she is seeking. Once a written grievance is filed or referred, the VPSS will determine whether or not the situation states a grievable offense. The matter will be closed if the situation is determined not grievable and the VPSS will provide notification of the determination to both parties.

Hearing:
If the matter is determined to be grievable, the Vice President of Student Services or designee (which may be an individual or a committee) shall hear the grievance and establish reasonable rules for the grievance procedure. A hearing (which will be tape recorded) will be held which will give the grievant and Respondent, an opportunity to explain what they know about the issues surrounding the grievance and to review any related information/materials. The Vice President of Student Services may choose to hear the information in separate/individual hearings. In the event that the student is under the age of eighteen or incapacitated, he/she may have an advisor present to assist him/her in presenting his/her case. Students do not have the right to be represented by an attorney during these proceedings except in the case where civil or criminal actions concerning the student are pending, and in that case the attorney’s role shall be advisory only. The student is responsible for presenting his/her own case and, therefore, advisors are not permitted to speak or to participate directly in any hearing except when the student is under 18 or incapacitated.

Decision:
Considering the oral and written statements and comments, the Vice President of Student Services shall issue a decision within ten (10) calendar days of the close of the hearing. The decision shall reject the grievance or grant the grievance and make recommendation(s) to resolve the issue(s). Copies of the decision shall be served to the grievant and the respondent either personally or by certified mail to the addresses on file in the Admissions and Records Office.

Appeal:
The decision of the Vice President of Student Services is final unless an appeal is filed with the College President by either party within five (5) calendars days of notification of the decision. The appeal may be filed only on the following basis: 1) the process outlined in this procedure was not followed, 2) the decision was arbitrary and was not based on the facts of the grievance, and/or 3) the grievant or respondent can provide new information that was not available during the meetings/hearings. (Information that was deliberately withheld will not be considered during the appeal).

Upon receipt of an appeal, the College President will review the record and issue a written decision within ten (10) calendar days of the receipt of the appeal. The College President's decision is final. The Vice President of Student Services, or the College President, may, for good cause, extend the scheduling timelines described above.
