

Best Choices Guide

Physics (BS)

This Associate of Science degree is designed for PCC students who want to transfer to UCCS and complete a Bachelor of Science degree with a major in Physics. It is based on the <u>best academic advising choices</u> for future UCCS students.

To earn the Associate of Science Degree, students must complete the following course requirements for a total of 60 semester credit hours, at least 35 of which must be Colorado State-Guaranteed Courses. Courses taken at other colleges, AP, IB, CLEP, and other sources of credit may not be applicable upon transfer to UCCS even if applied to the associate's degree at PCC.

To transfer to UCCS, students should have a cumulative GPA of 2.4 or better, *including all remedial and repeated courses*. (Students with a transfer GPA between 2.0 and 2.39 will be considered for admission.) Each transfer course must have a grade of "C" or better.

Degree Requirements	and 2.39 will be considered for admission.) Each transfer course must have a grade of "C" or better. Courses

Other AS Requirements

- 1. A minimum of 60 credit hours in a prescribed program of study with a cumulative grade point average of 2.0 (a C average). At least 15 of these credit hours must be earned from PCC.
- 2. Only 6 elective credits are allowed in any combination of PED courses.
- 3. Career and technical courses, whether taken at another institution or at PCC, are not accepted toward this degree without approval of the vice president for educational services. Approval is given only when it is appropriate to the educational objectives of the student.
- 4. Courses numbered below 100 do not apply towards degrees

State-Wide Articulation Agreement

This guide is based on the Colorado state-wide transfer articulation for your major. For additional information regarding guarantees, limitations, and addendums to that agreement please visit the Guaranteed Transfer and Guided Pathways page on the Colorado Department of Higher Education website (highered.colorado.gov/Academics/Transfers/Students.html).

Foreign Language Note - UCCS

UCCS admission requirements include 2 years of the same high school foreign language (or equivalent 2 semesters at Pikes Peak Community College). Students planning to attend UCCS who do not have the prerequisite foreign language requirement should consider enrolling in these courses in addition to the degree requirements. This admission requirement does not apply to those who graduated from high school prior to 1988, who have a GED, who graduated from a non-U.S. high school, or who can prove proficiency in a foreign language through the 2nd semester at college level. **Please check with the Transfer Advisor** (transfer@uccs.edu) to see if this requirement applies to you.

Four-Year Degree Plan - Physics

The following four-year plan lists all the specific course requirements for the Bachelor of Science in Physics degree at UCCS. Courses are listed by the course number at the appropriate institution. The order in which these courses are taken may vary with course availability. **Students are responsible for completing all course prerequisites.** Please note that this is a *suggested* degree program; your program may vary.

UCCS Bachelor of Science, Physics Major Requirements

- 1. A minimum of 120 hours must be completed with a cumulative CU grade point average of 2.0; at least 45 of these hours must be at the upper-division level (courses numbered 3000-4999).
- 2. The Physics major requires a minimum of 48 hours with a grade point average of 2.0; a grade of "C-" or higher must be attained in all required courses; and at least 31 of the hours must be at the upper-division level (courses numbered 3000-4999)
- 3. The last 30 hours of the degree must be completed while registered in the College of Letters, Arts and Sciences at UCCS.
- 4. In addition to the requirements listed on this handout, students are required to complete one course in Oral Communication, Cultural Diversity and Global Awareness. The courses may be within the major, part of general education or electives. Physics majors will have met the Oral Communication and Global Awareness requirements by completing PES 4810 at UCCS plus one course from ANT 101, GEO 105 or GEO 106 at the community college.
- 5. The above requirements are based on the Physics major with the Traditional option. Other options exist and may require different courses at PPCC and UCCS. Please contact the Transfer Advisor for more information.
- $6. For specific department information and recommendations, please visit: \underline{http://www.uccs.edu/physics}.$
