On behalf of the Pueblo Community College Nursing Department's RN to BSN Completion Program, we would like to inform you that we will be hosting a virtual visit for accreditation of this program from February 17-19, 2021. As you are a constituent of our program with an interest in its ongoing success and its subsequent contribution to the PCC Community, we would like to offer you an opportunity to submit any written comments you may have directly to the examining body, the Commission on Collegiate Nursing Education (CCNE) – please see contact details below. These comments will be received by CCNE until 21 days before the scheduled virtual visit (in other words, please submit by January 27, 2021).

Your comments will be made available to the evaluation team prior to their visit in February, but will not be shared with us.
