Natural & Physical Sciences	10	BIO 111, General College Biology I With Lab, (5 Credits) BIO 112, General College Biology II With Lab, (5 Credits)	BIOL 181/L , 4 credits BIOL 182/L , 4 credits
	38	TOTAL GEN ED CREDITS	36

II. Required Courses

Credit Hours	Pueblo Community College Course Number and Title	CSU – Pueblo Courses (credits)
5	CHE 111, General College Chemistry I with Lab	CHEM 212/L, 5 credits
5	PHY 111, Physics Algebra-Based I with Lab	PHSY 201/I, 5 credits
4	GEY 111 – Physical Geology	GEOL 101/L, 4 credits
3	MAT 135, Introduction to Statistics	MATH 156, 3 credits
3	BUS 217, Business Communication and Report Writing OR COM 125, Interpersonal Communication	BUSAD 270, credits OR COMR 221, 3 credits
20	TOTAL REQUIRED COURSES CREDITS	20

III. Elective and Recommended Courses

“Recommended Courses” means courses that students are strongly encouraged, but not required, to take for preparation in this major and are listed below in priority order.

Credit Hours	Pueblo Community College Course Number and Title
2	Choose 2 credits from AS Approved List

60	TOTAL ASSOCIATE DEGREE CREDITS
----	--------------------------------

ASSOCIATE OF SCIENCE DEGREE REQUIREMENTS (60 Credits):

Students should note that all required courses must be satisfactorily completed as part of the AS degree at the community college and will also transfer and apply to the bachelor’s degree requirements at the receiving 4-year institution. However, if you’re going to transfer before completing the AS degree, you may not need some of these courses. In that case, check with the receiving institution and an advisor for your options.

GUARANTEES & LIMITATIONS

- 1. Completion of Associate’s Degree:** This transfer guide identifies the courses a student needs to complete (with a C- or higher) to earn an AS degree at a Colorado community/junior college in order to be able to finish the designated baccalaureate degree in no more than 60 credits. Per [Colorado Commission on Higher Education \(CCHE\) Policy I, L](#), students who complete an AS degree at a Colorado community/junior college and who are admitted to a Colorado public baccalaureate institution are guaranteed the following: the full transfer and application of a minimum of 60 credits toward the baccalaureate degree requirements at the Colorado institution of higher education; completion of the lower-division component of the receiving institution’s general education core curriculum; and junior standing. Course credit may be applied to major, elective or other requirements at the receiving institution’s discretion. If more than 60 college-level credits are taken or the student gets lower than a C- in one or more courses at the community/junior college, then some loss of transfer credit may occur, and students may not be able to complete this baccalaureate degree in 120 credits.
- 2. Transfer Before Completing the Associate’s Degree:** If the student intends to transfer prior to completing an AS degree, this transfer guide should still be used to identify the courses that can most effectively prepare them for efficiently completing the designated major at the baccalaureate institution to which they are transferring. While not completing the required associate’s degree eliminates the guarantees described here, gtPathways general education courses identified in Section I are guaranteed to transfer and apply to the receiving institution’s gtPathways lower division general education requirements. Students are strongly encouraged to finish course sequences (such as English Comp I & II or Calculus I, II & III) before transferring.

For additional information on CCHE transfer policies and gtPathways guaranteed transfer of general education credit, visit <http://highered.colorado.gov/Academics/Transfers/Students.html>. To file a transfer-related complaint with the Colorado Department of Higher Education, visit <http://highered.colorado.gov/Academics/Complaints/default.html>

The chart shown below illustrates the remaining requirements to complete the BS: Wildlife and Natural Resources (Terrestrial) after transferring to CSU-Pueblo. 60 semester credits are the maximum amount of transfer credit allowed from two-year institutions. Therefore the credits shown below **MUST** be completed at CSU-Pueblo.

IV. Additional Major Core Required Courses

Additional Major Core Course Requirements		
BIOL 171	First Year Seminar	1
BIOL 201/L	Botany w/Lab	4
BIOL 202/L	Zoology w/Lab	4
BIOL 352	Evolutionary Biology & Ecology	3
BIOL 493	Seminar	1
WANR 302	Principles of Wildlife Management	3
WANR 402	Management of Endangered Species	3
Electives	Advisor Approved Upper Division Electives	9-12
CHEM 211/L	Intro to Organic Chemistry w/Lab	5
Choose ONE additional MATH course in the 100 level or above (advisor approved)		
Choose at least TWO terrestrial courses from the list below		
BIOL 482/L, BIOL 483/L, BIOL 484/L		6
Choose at Least ONE zoology course from the list below		
BIOL 321/L, BIOL 414/L, BIOL 441/L, BIOL 454, BIOL 479/L, BIOL 481/L, BIOL 482/L		3-5
Choose at least ONE botany course from the list below		
BIOL 413/L, 485/L, 486/L		4
Choose at TWO policy and administration courses from the list below		
BIOL 462, REC 482, WANR 303, WANR 304		6
Open Electives	Open Electives	3-8
Total Transfer Credit Applied Toward BS Degree		60
Total Additional Credit Required for BS Degree		60
Total BS Degree Requirements		120
